THE LONELY ROAD CHALLENGE PLEDGE FORM

The Lonely Road Challenge, a journey of activation and activism, will take Thabang Skwambane 5,500km through South Africa, Botswana, Zimbabwe, Zambia, Malawi and Tanzania on a bicycle. Upon reaching his final destination Thabang will join a team of climbers to ascend Uhuru Peak (5,895m) on Mt Kilimanjaro, Africa's highest mountain and the highest "free standing" mountain in the world.

Why is Thabang doing the challenge? To highlight the critical issue of children orphaned or made vulnerable by HIV/AIDS, and to raise funds for The Lonely Road Foundation to activate programmes of support in underprivileged communities.

What can you do to contribute to the challenge? Make a pledge for every kilometre cycled and every metre climbed, and you will help to make a difference to the lives of these children.
